Re: Ex Parte Presentation by T-Mobile USA, Inc. in CC Docket No. 95-116

Dear Ms. Dortch:

Yesterday, Anna Miller and I, on behalf of T-Mobile USA, Inc., met with Narda Jones, Cheryl Callahan, Sanford Williams, Jennifer Salhus, Pam Slipakoff, and Jeffrey Steinberg to discuss the above-referenced proceeding and to distribute the attached documents. Consistent with the positions outlined in the attached written presentations, T-Mobile urged the Commission to adopt rules that would make the intermodal porting process easier for consumers and more efficient for all carriers, whether wireline or wireless. T-Mobile explained that the rules it has proposed would not require any carrier to change its local service request procedures, but would make the intermodal porting process more efficient and less expensive for all carriers, including those who process requests on a manual basis.

As required by Section 1.1206(b), this *ex parte* notification is being filed electronically for inclusion in the public record of the above-referenced proceeding, and a copy is being e-mailed to all FCC personnel who attended the meeting. Please direct any questions regarding this matter to the undersigned.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read 'T. Daubert', with a long horizontal line extending to the right.

Todd D. Daubert,
Counsel for T-Mobile USA, Inc.
